The screenshot shows a web browser with multiple tabs open, including WhatsApp, Zoom, StreamYard, and a login code page. The active tab is StreamYard, displaying the URL <https://streamyard.com/broadcasts>. The StreamYard interface is visible in the background, with a sidebar containing 'Broadcasts' and 'Destinations' sections. A modal window titled 'Broadcast to' is centered on the screen. This modal contains the following fields and options:

- Broadcast to:** A section with a profile icon (a blue circle with a white 'P') and a plus sign icon.
- Title:** A text input field containing the text 'Sambung Rasa'.
- Description:** A larger text input field, currently empty.
- Privacy:** A dropdown menu set to 'Public'.
- ☐ **Schedule for later**
- Create Broadcast**: A blue button at the bottom of the modal.

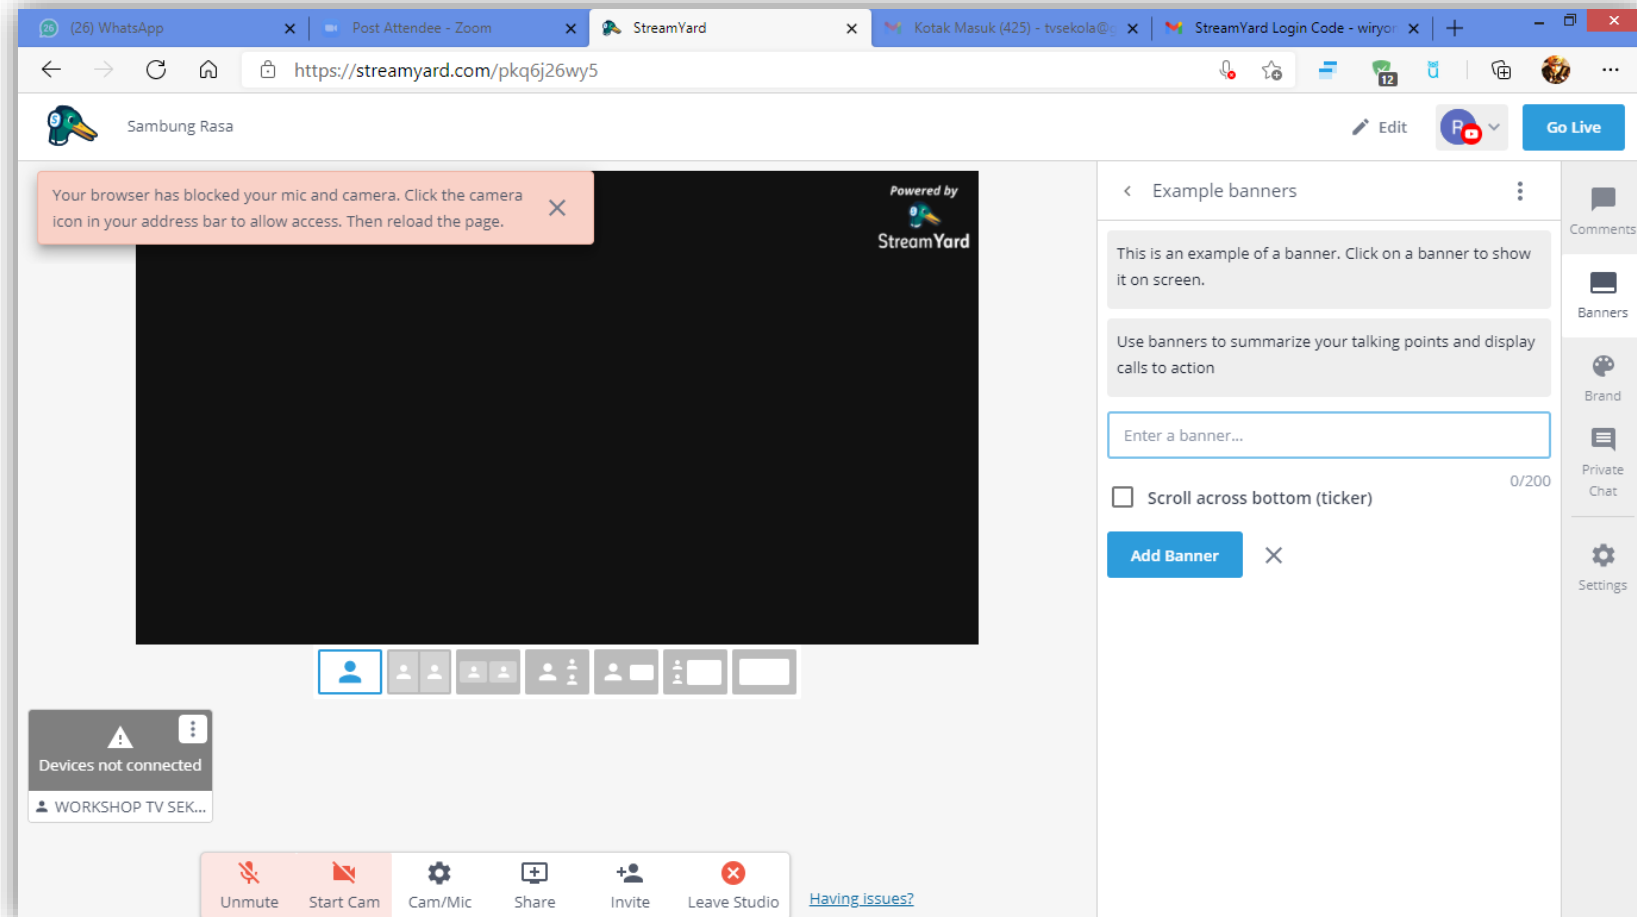

Klik ➡ Enter Broadcast Studio

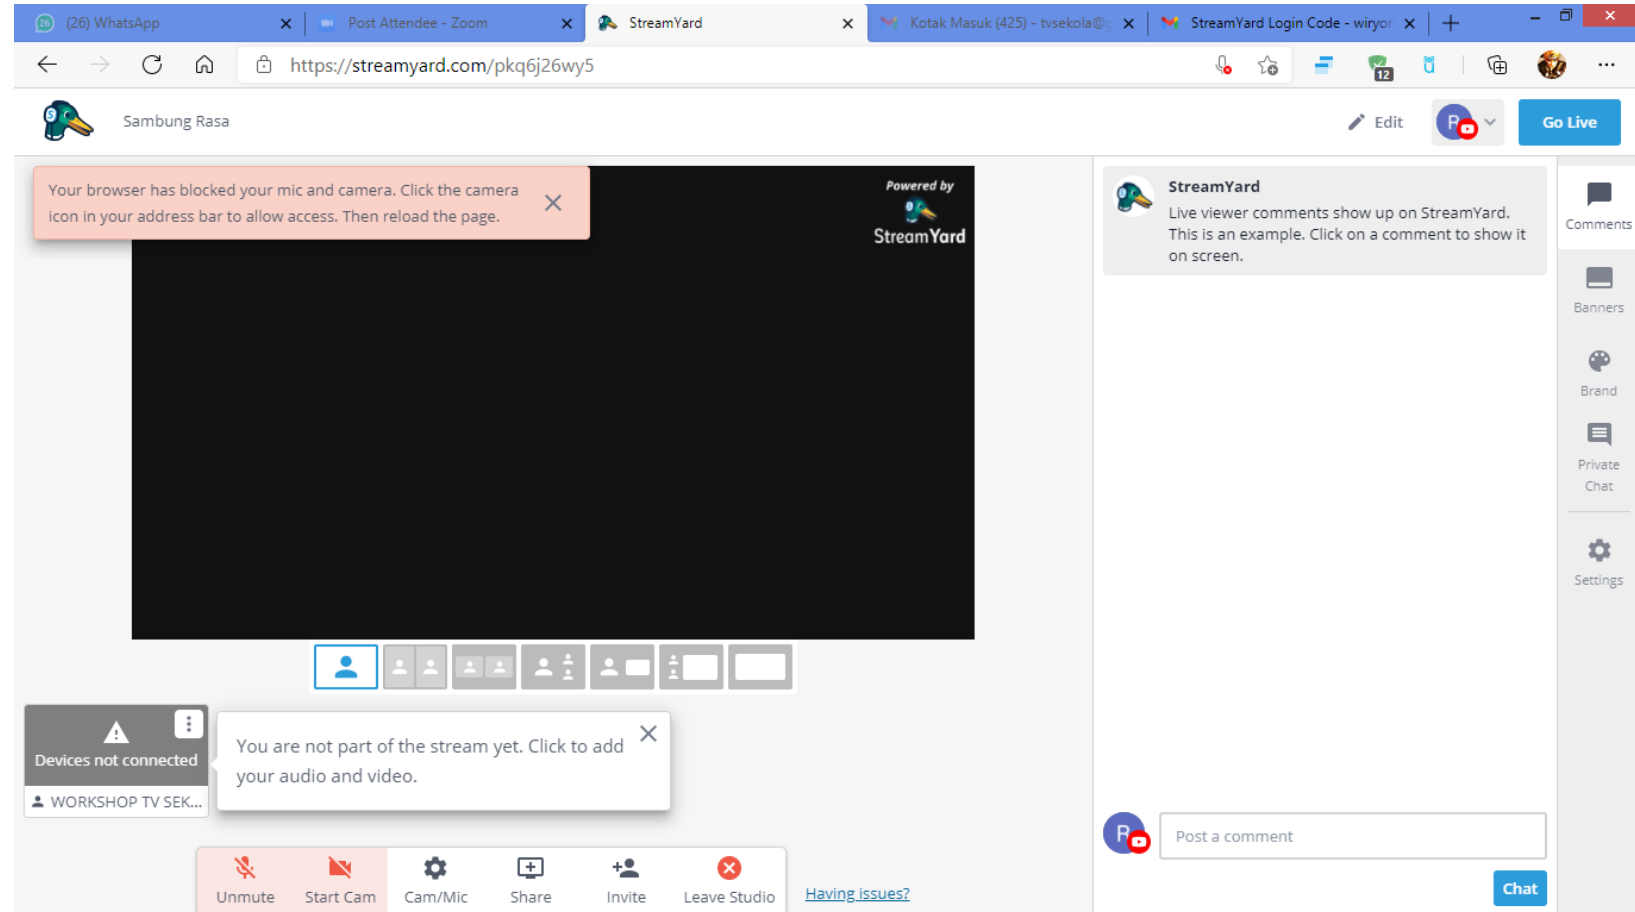

The screenshot shows the StreamYard web interface. The browser's address bar displays `https://streamyard.com/broadcasts`. The page features a sidebar with 'Broadcasts' and 'Destinations' options. The main content area is titled 'Upcoming Broadcasts' and includes a 'Create a Broadcast' button. Below this is a table with columns for 'Title', 'Created', and 'Scheduled'. A single broadcast entry is listed with the title 'Sambung Rasa', a profile picture of a person with the letter 'R', and a creation time of '11:19 AM'. To the right of the entry is a button labeled 'Enter Broadcast Studio' and a vertical ellipsis menu icon.

Title	Created	Scheduled
 Sambung Rasa	11:19 AM	—
